Joint Southern Africa Societies Conference 2013

from Simon Peetoom

It is time that I gently nudged all of you to consider what you would like to display at the Joint Southern Africa Societies Conference, 8th to 10th November 2013 at the Falstaff Hotel in Leamington Spa. As in previous years, there are six slots available on the Saturday, then Sunday is reserved for "Bring & Show." You will all be pleased to learn that the South Africa Collectors' Society will not be holding an AGM on the Saturday, so as there is a little more time available in the late afternoon it may be possible to accommodate a later start or a longer lunch break.

Runner Post Schedule

from The Editor

Just a quick note to say I'm now running on a "material to hand" schedule. Runner Post has to be a multiple of 4 pages to fit the new folded A3 format. The target starts as 32 pages and drops 28, 24, 20, 16 until I've roughly enough material to get an issue out. 16 pages is really the minimum to make an issue worth printing and posting. This issue dropped to 20 pages.

New Zealand Air Letters

by Brian Fenemore

I am delighted to have acquired these World War II Air - Letters (Fronts only... pity!) were written by Bechuana Native Drivers serving in North Africa and the Middle East, to their Paramount Chief Tshekedi Khama, father of Sir Seretse Khama, and Grandfather of Ian Khama, President of Botswana.

The interesting thing here is that these chaps were seconded to New Zealand Divisions. I have managed to find out that Field Post Office 567 was located in Syria from 1942-1945. I have absolutely no idea as to the location of K.W.2.

Tobruk in Cyrenaica fell on 20th June 1942, to Rommel's Panzer Army. Any ideas on this one? I have never seen these Air-Letters bearing New Zealand stamps into Bechuanaland before! Perhaps they are quite rare? Pity the poor censor - I feel pretty sure he didn't have any knowledge of Tsetswana!

Anyone wanting a copy of the Auction Catalogue for the Leamington Auction please drop me [The Editor] an email and I'll send you the PDF. There do not appear to be any Bechuanaland lots, but plenty of interest.

I am open to any suggestions.

Last year we did not see much from any of the Pre-Union provinces, so please think if you have something suitable to display. Also, in the three years I have organised the conference, we have not had a Saturday display of Basutoland or Swaziland.

There will be an auction on the Sunday and the usual coterie of dealers will be in attendance!

Simon Peetoom

Still a nominal three issues a year Summer, Autumn, Winter/Spring with a target of 72 pages a year. Obviously if there isn't enough material it will be two issues. Peter van der Molen's Queen Elizabeth II articles should start again next issue but more short articles, scans of your favourite items are always welcome (as long as you say why it's a favourite)

[Below and FRONT COVER] Two fronts of World War II Air Letters sent from Bechuana Native Drivers who were seconded to New Zealand Divisions. Both were addressed to Paramount Chief Tshekedi Khama.

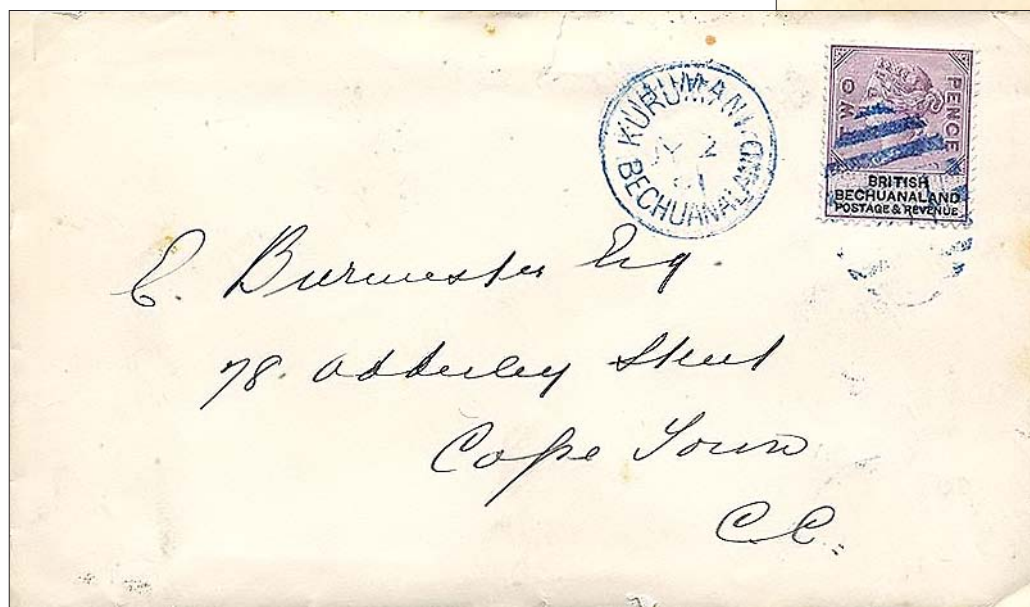

A Ring for the Chief Constable

by Philip E Robinson FRPSL

The letters shown here were sent from Kuruman in 1891 by Edward Ilsley Finnis, who at that time was the town's Chief Constable. Public records show that he was born in Brentford, Middlesex, England in 1855, the third son of a London solicitor, Robert Finnis, and his Cheshire-born wife Jane. Edward is not to be found in the 1881 census, and so he must have emigrated to Southern Africa (as a single man, as there is no UK marriage record) between 1871 and 1881. It is known that during the Second Anglo-Boer War he served in the Kuruman Defence Force. I can find no UK death record, and so he must have died abroad, perhaps still in Kuruman.

In July 1891 Edward Finnis wrote to the leading Cape Town jeweller Emil Burmester; the envelope is shown below (**Fig 1**). It has a British Bechuanaland 2d stamp,

Figures 1 and 2 Front and back of a JY 2 91 letter from Edward Finnis to Emil Burmester

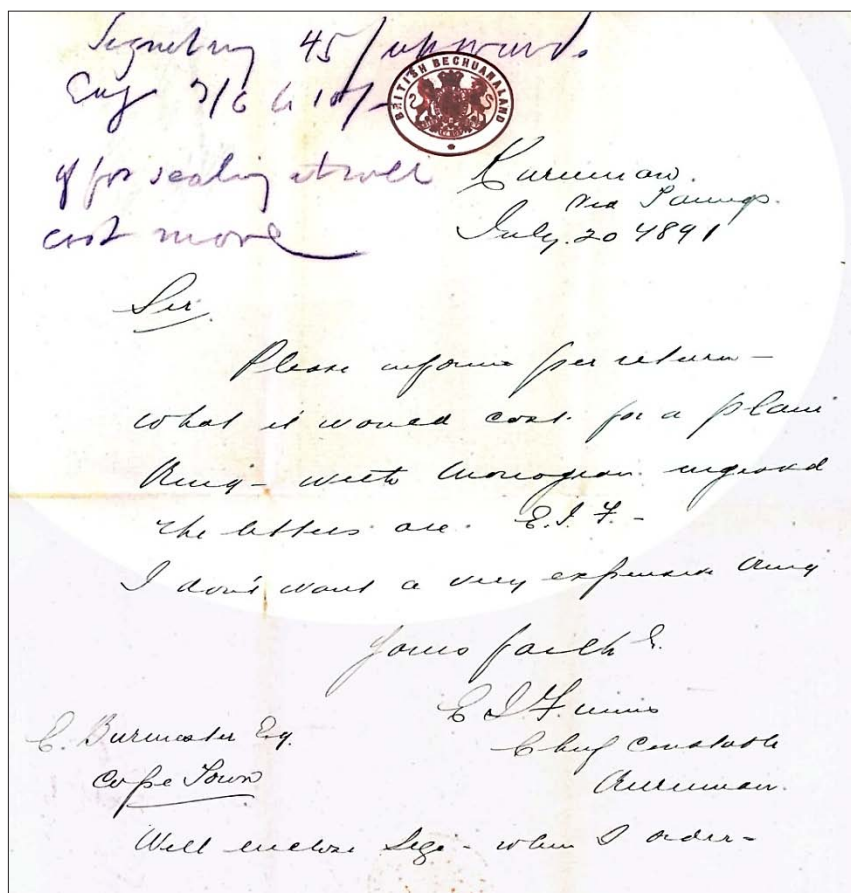

SG11, cancelled by a barred oval numeral cancellation with the number 534 for Kuruman, alongside which is a KURUMAN / BECHUANALAND c.d.s. of JY 2(0) 91, both of these marks being struck in blue. On the back (**Fig 2**) is a KIMBERLEY transit mark of JY 25 91 and a G.P.O. / CAPE TOWN receiving mark of JY 27 91. The contents of the letter (**Fig 3**) are transcribed over. The Chief Constable must have been happy with the price quoted, as he wrote again a few weeks later, requesting a ring to be made. The envelope (**Figs 4/5**); and postmarks are similar, the c.d.s. being dated SP 2 91, but this time the letter is franked with two 1d stamps, SG10. There is a VRYBURG transit mark of SP 4 91 and a G.P.O. / CAPE TOWN receiving mark of SP

7 91.

The contents of the envelope are transcribed overleaf (**Figs 6/7**).

Apart from being of philatelic interest, these two letters give a little insight into a commercial transaction of the 19th century in a distant part of the British Empire.

I am grateful to Alan MacGregor for the illustrations of the first letter, which had been in his stock.

The letter (Fig 3 - left), with an embossed 'British Bechuanaland' letterhead, reads:

REGISTRAR OF
1888
No. 16974
ST. BETHUNE

Civil Commissioner's Office
Vryburg,
19th September 1888.

C.C. 55D.

Sir,

I have the honour to ask your Honours instructions with regard to the following matter.

Amongst the papers handed over by the late Resident of Stellaland to us upon arrival here in October 1885 was a Promissory Note payable to the late Government for £75 signed by A. P. de la Rey. On the back of this the sum of £3 was written off as having been received. From information then obtained and from some memoranda which were found respecting the Promissory Notes, it appeared that most if not all of the balance of this one had been settled and it was not therefore placed amongst the Stellaland Assets either on the first or subsequent Balance Sheets.

Upon searching through the old Cash-Books for traces of the payment of this balance no entries relating to it could be found; and therefore the Note

His Honours The Acting Administrator
British Bechuanaland

Note was handed (amongst others) by Messrs. Rosenblatt & Wessels, on 24th July last, to collect on behalf of this Government from A.D. de la Rey.

In reply to their letter of demand de la Rey stated that he could produce a receipt from the late Government for £55 on account of the £72, and he tendered the balance.

Our Attorneys then enquired of Mr. van Niekerk what had become of the money for which he gave the receipt in question whilst President of the 'Republic'. Translations of his reply and of a letter from him to me on the same subject are enclosed herewith.

No record appears in the old Cashbooks of any payments of £12.10p each to Messrs. van Niekerk & Belliers near the date specified, which fact tends to confirm Mr. van Niekerk's statement that they were paid with money received from de la Rey.

We are bound to give de la Rey credit for the amount he paid to the then Government: and although Mr. van Niekerk is willing to pay the

the £25 if demanded by us from him, I beg to respectfully recommend that his explanation be accepted as correct and that under all the circumstances he be absolved from payment.

If your Honour approves of this course being adopted with regard to Mr. van Niekerk I will instruct Messrs. Rosenblatt & Wessels to collect £17 & interest from A.D. de la Rey in full settlement of the matter.

Sir,

Joint Auction

from The Secretary

The GBOS (GB Overprints Society) and the BBS are planning to have a joint auction. The plan is that the list of auction lots will be available to members of both societies by end-October with last bids by end-Jan 2014. It is hoped that the auction list can go out with an edition of the Runner Post before Christmas. Please note that only certain material can be accepted for the auction: Pre-1932 Bechuanaland stamps, covers, postal stationery, revenues or ephemera and 'Cattle or Baobab tree' issues

BBS members can bring lots for inclusion in the auction to give to Tony at Stampex. If, however, members can't attend Stampex, then they can deal directly with the auctioneer:

Colin Baker, 4 Greenhill Gardens, Sutton Veny, Warminster, Wiltshire. BA12 7AY. UK.

Colin will be able to accept lots until the end of September but please email him first before sending your auction material. In your email let him have a description of each lot, its reserve - and details of the vendor.

Colin's email address is colin.baker333@gmail.com

The circumstances as set

confused that I do not feel altogether
justified in expressing an opinion.

Probably an action against de la

of arriving at a conclusion.

Sir,

I have the honour to ask your

Amongst the papers handed

was a Promissory Note payable to the

Note was handed (amongst others)

of this Government from A P de la Rey.

In reply to their letter of demand
de la Rey stated that he could produce
a receipt from the late Government for
£55 on account of the £72, and he

Our Attorneys then enquired
of Mr. van Niekerk what had become
of the money for which he gave the

No record appears in the Old

confirm Mr v Niekerk's statement that
they were paid with money received

We are bound to give de la

BECHUANALAND

CROCODILE POOLS

BECHUANALAND / Anglo-Boer War 1899 (December), British Bechuanaland 1d postal stationery card (H&G 5) addressed to the USA and cancelled with a fine strike of the rare CROCODILE POOLS / SOUTH AFRICA (16 Dec) double circle datestamp. The message, written by W.A.H. Harbor reads: "Mochudi / S. Africa / 16/12/99 / Would you kindly communicate through your medium that I am unable to reply to my various exchange correspondents on account of the occupation & looting by the Boers the end of Octr. The force has only now reoccupied the place & endeavouring to reach Mafeking opening up communications by rail & wire / W.A.H. Harbor". Bulawayo (18 Dec) transit backstamp and with Durban (4 Jan) and Richmond (4 Feb) transit / arrival datestamps on the front. Rare early usage, especially as an origin rather than a transit datestamp. **SOLD**

Note: This card bears what is believed to be the earliest recorded example of the Crocodile Pools datestamp and supports the theory that at this date the actual location where the canceller was applied was Mochudi. Following the Boer occupation of Crocodile Pools and the Gaberones area in late October 1899, the Imperial Forces retreated north, probably taking with them the postal paraphernalia of Crocodile Pools. In November they reoccupied Mochudi where they established a base camp for the Armoured train and no doubt a post office. The fact this card was written at 'Mochudi', cancelled 'Crocodile Pools' and travelled north via Bulawayo, indicates it never went south to the actual site of Crocodile Pools and therefore strongly supports usage of the Crocodile Pools datestamp at Mochudi at this time.
